

Support for PIs teams of upcoming full proposals

For PI teams planning to submit a full proposal to ICDP by January 15, 2023, the ICDP Operational Support Group will provide online assistance on operational topics, such as drilling engineering, data and sample management, well logging, project management and budget, risk analysis, outreach, etc.

Please contact Uli Harms (u.harms@icdp-online.org) by November 15, 2022 with an outline of open issues and intended timeline for proposal writing.
